

Lecture series in Ecology and Evolution, seminar

Tuesday, 16.15 Uhr / Haller Auditorium, Baltzerstrasse 1

| FS 08 | | |
|--------------|--|--|
| 19.02.08 | Prof. Dr. Jaboury Ghazoul ETH Zürich | The Paradox of Ecosystem Services: Ecology, Economics and the Pollination Crisis Gastgeber: Prof. Dr. W. Nentwig |
| 26.02.08 | Prof. Peter Hambäck Universität Stockholm | Insect responses to spatial heterogeneity: the role of search mode and local growth Gastgeber: Prof. Dr. W. Nentwig |
| 04.03.08 | cancelled | |
| 11.03.08 | Prof. Jonathan Wright Institute of Biology NTNU, Trondheim /Norway | Sex, showing-off and relatedness in helping decisions in the cooperatively breeding bell miner Gastgeber: Prof. Dr. H. Richner |
| 18.03.08 | Prof. Tom Kocher University of Maryland | Adaptive? Evolution of African Cichlid Fishes Gastgeber: Prof. Dr. O. Seehausen |
| 01.04.08 | | |
| 08.04.08 | Prof. Constantino Macías Garcia Instituto de Ecología Universidad Nacional Autónoma de México | Exposure to Pesticides Impairs the Expression of Fish Ornaments reducing the availability of attractive males Gastgeber: Prof. Dr. O. Seehausen |
| 15.04.08 | PD Dr. Mark van Kleunen Institute of Plant Sciences University of Bern | Determinants of plant invasions Gastgeber: Prof. Dr. M. Fischer |
| 22.04.08 | Prof. Anne Goldizen Brisbane, Australia | Female bonds and matrilineal structure in wallabies and kangaroos Gastgeber: Prof. Dr. H. Richner |
| 29.04.08 | Prof. Peter Hammerstein Humboldt-University, Berlin | Evolutionary Economics in Biology Gastgeber: Prof. Dr. M. Taborsky |
| 06.05.08 | cancelled | |
| 13.05.08 | Prof. Michel Laurin CNRS, Université P & M Curie Paris | Evolution of vertebrates in the conquest of dry land and the first evolutionary radiation of limbed vertebrates Gastgeber: Prof. Dr. M. Güntert |
| 20.05.08 | Verabschiedung Prof. Dr. Jürg Zettel | Gastgeber: Direktorium Zoologisches Institut |
| 27.05.08 | Exam | |
