

V O L Z – A W A R D 2018

This award will be given every two years for

- the best publication, resulting from a master thesis at the Institute of Ecology and Evolution.
- the best publication, resulting from of a dissertation at the Institute of Ecology and Evolution.

Every candidate can apply with one publication arising either from Master or PhD thesis, which was published maximally two years after graduation. The work has to be published, accepted or in press (with a letter of confirmation from the journal) before the closing date for applications. Only publications published 2016 or later are taken into consideration for the Volz–Award 2018. If someone received a Volz–Award once, he/she cannot apply for a second time.

The award is endowed with CHF 500.–

Please send your application until Monday, 30 April 2018 to

Institute of Ecology and Evolution
Baltzerstrasse 6
3012 Bern
or per e-mail to: susanne.holenstein@iee.unibe.ch

Bern, 13 March 2018
