

Zoologisches Seminar

jeweils Dienstag, 16.15 Uhr / Haller Auditorium, Baltzerstrasse 1

SS 07		
20.03.07	Prof. Nathalie Machon National Museum of Natural History, Paris	Management of plants threatened with extinction Gastgeber: Prof. Dr. R. Arlettaz
27.03.07	Prof. Ulrike Aspöck Naturhistorisches Museum Wien	Phylogeny and Biodiversity of the Neuropterida - a romance on wings of lace Gastgeber: Prof. Dr. M. Güntert
03.04.07	PD Dr. Björn Siemers Seewiesen / Germany	Sensory ecology of prey detection and prey selection in insect- eating bats Gastgeber: Prof. Dr. R. Arlettaz
10.04.07		
17.04.07	Ed Green Dept. of Evolutionary Genetics, MPI for Evolutionary Anthropology, Leipzig, Germany	Analysis of 1 megabase of the Neandertal genome Gastgeber: Prof. Dr. L. Excoffier
24.04.07	Prof. Mike E. Arnold Department of Genetics University of Georgia, Athens	The Genetic Architecture of Introgression and Reproductive Isolation in Louisiana Irises Gastgeber: Prof. Dr. O. Seehausen
01.05.07	Dr. Juliet Vickery British Trust for Ornithology	Conservation of farmland birds in Britain : from diagnosing declines to testing solutions? Gastgeber: Prof. Dr. R. Arlettaz
08.05.07	Prof. Felix Wäckers Centre for Sustainable Agriculture Lancaster	Food for protection. Impact of plant-provided food on plant- herbivore-carnivore interactions Gastgeber: Prof. Dr. W. Nentwig
15.05.07	Prof. Dr. Heinz Richner Bern	Of tits and fleas and other scary things
22.05.07	Prof. Dr. Daniel R. Brooks Dept. of Ecology & Evolutionary Biology, University of Toronto, Canada	Assumption 0 Analysis in Systematics and Historical Ecology Gastgeber: Prof. Dr. L. Excoffier / Prof. Dr. W. Nentwig
29.05.07	Prof. John Endler University of Exeter	Elaboration, innovation, and species recognition in Australian Bowerbirds Gastgeber: Prof. Dr. M. Taborsky
05.06.07	Dr. Donat Agosti Bern	The future of science communication Gastgeber: Prof. Dr. W. Nentwig
12.06.07	Dr. Jeremy Mitchell University of Bern	When is a queue (not) a queue? Gastgeber: Prof. Dr. M. Taborsky
19.06.07	Prof. Russel Lande University of California, San Diego	Gastgeber: Prof. Dr. O. Seehausen
